Natural Stone Internship | Midterm Evaluation

Write a 750-word evaluation of your experiences during the first six weeks of your internship. Use the questions below as a guide for this assignment.

- What has been your favorite course so far and why?
- What are you most excited about learning in the second half of the program?
- Are you receiving consistent feedback and support from your supervisor and how have you applied this feedback?
- Are there any courses so far that you feel need more clarity?
- What are 5 new pieces of information you've learned about natural stone that you didn't know before?
