## Membership Bulletin:

How membership functions. Each member company is assigned a number which belongs to the physical and/or mailing address of that member company. Every employee based at that location can receive member benefits and access and has their own personal access.

### **Membership is not transferrable between brands or locations.**

Member companies that have additional locations or brand names may also become branch members at a discounted rate. Member companies and member branches receive the following benefits:

- Technical assistance
- Industry information assistance
- Member discounts on accreditation fees
- CEU program eligibility
- The Cutting Edge newsletter and weekly news updates
- Deep discounts at TISE and Education on Location events
- Bookstore savings with many free downloads and free standard shipping
- Member listings in our on-line, and annual print directory
- Member access to the Natural Stone University
- International delegation opportunities
- The additional support of our Member Endorsed Savings Solutions; provided by Vericore, Office Depot, EMS, and Partnership.
